

For Generations Now

1. For gen - er - at - ions now Your fam - i - ly pre - served;
2. Our faith - ful - ness, O God Is no - thing with - out Yours.
3. It's You, O Lord who builds. All else is done in vain.
4. Change and de - cay a - bounds, Yet You con - stant re - main.

Through word and wa - ter, bread and wine, Your sa - ving work is served.
In spite of us, u - nit - ing us, Your faith - ful - ness en - dures.
Turn us a - gain to seek your face. From you grace falls like rain.
You save by wash - ing, flesh and blood, O'er death and grave you reign.

5. To every place You lead,
You go before our way,
Preparing works leading to love
We need Jesus each day.

△ 6. Until all things are new,
Strengthen our voice in song:
Oh Father, Son and Holy Ghost,
With us share what You've done!
