## Midweek Bible Study

10am Wednesdays, Luther Room

Arius taught that God the Father is completely inaccessible and God the Son had to be created as a go-between. This heresy appeals to our sinful nature because it allows us to believe that God is responsible for the seeming gulf we feel between Him and us. Arianism today is found informally in materialistic, humanistic philosophy. Formally, Jehovah Witnesses are the most faithful manifestation of Arianism as they empty terms of any spiritual reality.
